PARTIAL APPROVALS

UPDATE ON OUR NOVEMBER 2015 BULLETIN

In November 2015 we let you know that we're able to support partial approvals for authorisation requests. These allow card issuers to authorise a lower amount than was originally requested at the point of sale. The Card Schemes (Visa and MasterCard) have let us know that they've extended the date for compliance with this mandate to April 2020.

Our systems have already been updated to support Partial Approvals so you're able to offer this functionality to your customers at any time prior to April 2020. So, if you've not already done so, you should now begin development to implement this initiative.

All other details surrounding the implementation of Partial Approvals remain unchanged and can be found in our 'Authorisation and Settlement Technical Specifications'. You'll find the latest version at our website www.globalpaymentsinc.co.uk. You'll need to log in to the Customer Centre using your merchant number and then select the option for 'Global Payments', followed by 'Documentation'.

If you've got any queries regarding this change, please contact your Relationship Manager or call us on 0345 702 3344*, selecting the option 'for all other enquiries'.

*Lines are open between 9am - 6pm Monday to Friday, excluding public holidays. To help us continually improve on our service and in the interests of security, we may monitor and/or record your telephone calls with us. Any recordings remain our sole property. We also provide a Textphone service on 0345 602 4818.
